MEMORANDUM FOR THE RECORD

STATINTL FROM : [REDACTED]  
Deputy Director of Personnel for Special  
Programs

STATINTL REFERENCE: Letter to [REDACTED] from Mr. William  
Chapman of The Washington Post, dtd  
15 April 1976 (attached)

STATINTL As a result of my discussion with [REDACTED]  
STATINTL regarding reference, I contacted Messrs. [REDACTED]  
and [REDACTED] and each reaffirmed that of the 31 individuals  
identified by stars on the Memorial Plaque, only the names  
of the 16 individuals listed in the Book of Honor should  
be made available to Mr. Chapman. In addition, they were  
each opposed to revealing the home towns of the 16 listed  
in the Book of Honor.
